

Open Figure Drawing Inc. Invites you to join our non-juried exhibit of our collective work for the

2026 GROUP SHOW

A Group Show celebrating our collective works!

Deadline

Starting March 1, 2026, until the room is full.

On display from March 1 - June 18 during Open Figure Drawing sessions
Delavan Studios, room 413

We encourage you all to join Open Figure Drawing's 2026 Group Show!

You can submit artwork that looks like it's of a nude figure. If it's a portrait of a clothed figure, that's OK, as long as we can't see any clothing.

Submissions may be used to advertise or promote OFD in print or on the Web.

Rules for people whose artwork we are hanging

1. Anyone who has joined us for a drawing session in the last year may submit 2D artwork. You can fill up to 2 cables of framed art suitable for a Portrait Show.

2. Submit this form with your artwork.

3. Deliver artwork to Delavan Studios, room 413 anytime, from now, until the room is full.

The show ends on Thursday, June 18, 2026. We will be hanging a new show shortly afterwards, so do not delay in taking your artwork home.

4. Artwork must have identification and contact information on the back. Include your name and phone number (or e-mail or street address). Optionally, include a title, media, and size information. We also suggest signing and dating your work.

5. All work must be framed & have a wire for hanging. Please take a look at our hanging system next time you attend OFD.

6. Work can be for sale, but does not have to be. Open Figure Drawing takes a 10% commission on all work.

7. Optional: Package your artwork.

Since we will not be transporting the artwork for this show, it is up to you if you think it needs packaging to deliver it safely to us. Please take all packaging with you after you deliver your artwork.

OFD Inc. takes no responsibility for loss or damage to the pieces. In the history of the shows we have only encountered problems with cracked glass on fast-frame pieces.
