

Open Figure Drawing Inc. Invites you to join our non-juried exhibit of our collective work for the

MIKE SHOW

An Open Figure Drawing Group Show celebrating the model Mike

Reception

Food & Drinks!

Saturday, January 25, 4 - 6 pm

On display from January 26 - March 23 during Open Figure Drawing sessions
Delavan Studios, room 413

The Mike Show will showcase the 55 year career of a treasured model. Anyone who has been involved with figure drawing in Central NY has probably drawn Mike. He is a performance artist making each session unique. His dynamic modeling has challenged countless learners and artists over decades. This show will spotlight some of the results of his impact on the art community and give recognition to an often overlooked part of the artistic process.

We hope you will join us by submitting your artwork any time between now and the deadline: Sunday, January 19, 1 - 3 pm, during OFD's Long Pose drawing session.

Submissions may be used to advertise or promote OFD in print or on the Web.

Rules for people whose artwork we are hanging

1. Anyone who has ever drawn Mike may submit artwork. You can submit up to 3 piece of framed figurative artwork of Mike for inclusion in the show. The artwork does not have to be from an OFD session. If space is tight, everyone is guaranteed at least one of their pieces will be included in the show, and all artwork will be included in the Mike Show catalog!

2. Submit this form with your artwork. Your artwork does not have to be recent. Mike has been modeling for 55 years.

3. Deliver artwork to Delavan Studios, room 413 by Sunday, January 19, 1 - 3 pm, during Open Figure Drawing's Long Pose session.

The show ends on Sunday, March 23. Will will be hanging a new show shortly afterwards, so do not delay in taking your artwork home. You can take it before March 23 if you need to.

4. Artwork must have identification and contact information on the back. Include your name and phone number (or e-mail or street address). Optionally, include a title, media, and size information. We also suggest signing and dating your work.

5. All work must be framed & have a wire for hanging. Please take a look at our hanging system next time you attend OFD.

6. Work can be for sale, but does not have to be. Sales will be handled between the buyer and the individual artist. Include with your artwork the necessary information for a buyer to contact you.

7. Optional: Package your artwork.

Since we will not be transporting the artwork for this show, it is up to you if you think it needs packaging to deliver it safely to us. Please take all packaging with you after you deliver your artwork.

OFD Inc. takes no responsibility for loss or damage to the pieces. In the history of the shows we have only encountered problems with cracked glass on fast-frame pieces.

PLEASE PRINT LEGIBLY Use the back if you run out of room

If your bio appeared in a previous catalog, we can use that one. A bio can be very simple, here is an example:
John Doe started drawing with OFD several years ago and his preferred medium is charcoal. He is a retired teacher but finds that drawing the figure inspires his daily life and fulfills his need for a creative outlet. John resides in Marcellus with his two beagles.
